- Instruct them to place the sticker in the correct shape as you tell the story.

**WHAT YOU SAY:**

"In our Bible story, God loved us so much that He gave us His Son, Jesus, to be our friend forever. Look at the paper I gave you. Find the heart shape and put your finger on it. Find the heart sticker and put it inside the heart shape. That heart reminds us that God loves us."

"Now find the circle shape and put your finger on it. Now put the world sticker inside the circle shape. That world reminds us that God loves everyone in the world!"

"Find the square shape and put your finger on it. Put the present sticker inside the square shape. That present reminds us that God loved the world SO much, He gave us a very special gift."

"And last, I want you to find the rectangle shape and put your finger on it. Place the Jesus sticker inside the rectangle shape. Jesus to be our friend forever."

"Look! We have all of our Bible story on our paper now. Point to the pictures while we say it together. (Point to the pictures as you say the paraphrased verse.) God loved the world so much He gave us His Son, Jesus." (Repeat the verse and pointing to the pictures several times.)
