- Allow everyone to color their activity sheet
- Once they have finished, encourage them to put yellow circle stickers along the rows. Explain that the yellow circles are grain from the story.
- Talk about how we can thank God for giving us family.

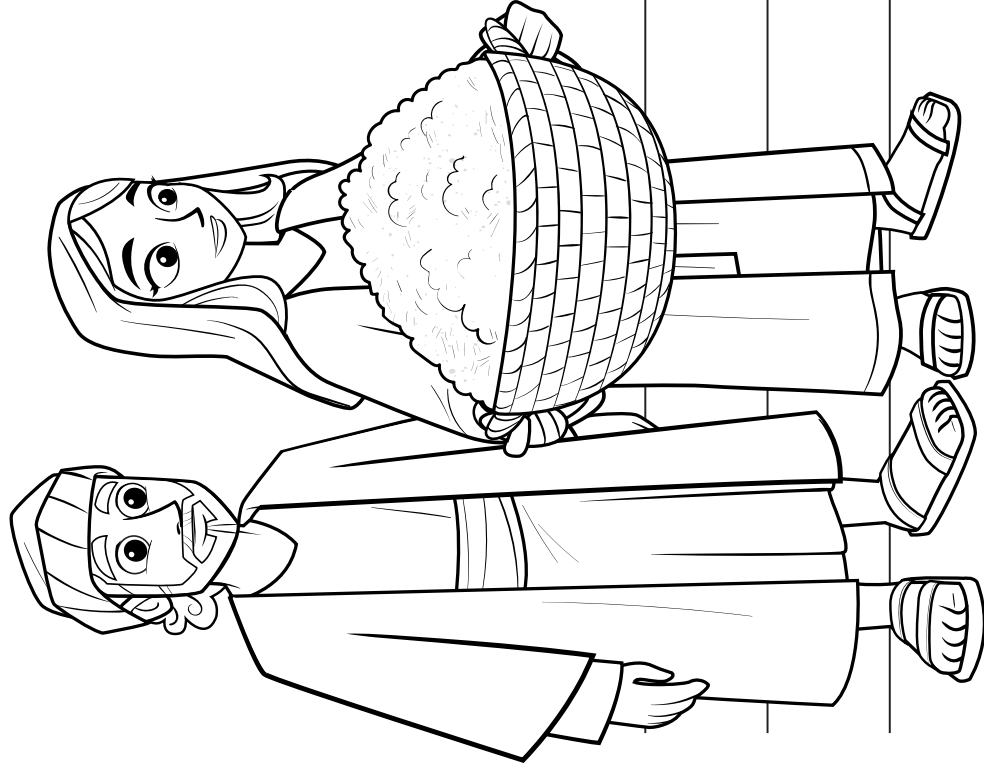

WHAT YOU SAY:

"Today, we heard a story about a family. Families are special and given to us by God. They can be big or small and made up of different types of people. On your paper is a picture of Ruth and Boaz next to his field. Ruth collected grain from his field to feed Naomi and herself. These yellow circle stickers are the grain. Now Ruth has grain to collect! Who can you thank for everything? **I can thank God for everything!"**
