### JOSEPH HELPS PEOPLE

**Storyteller:** Are you ready to hear the next part of Joseph's story? Do you remember that Joseph was in jail. He was put in jail, even though he'd done nothing wrong. Being in jail was hard for Joseph, but God had a plan. One day, the king of Egypt, Pharaoh, had some dreams he didn't understand. They were about seven cows. Cows? Yep, cows. Can you say "moo" like a cow? So, Pharaoh dreamed about seven cows. Pharaoh also dreamed about stalks of grain. Grain? That's kind of strange. Pharaoh was confused by these dreams, and he wanted to know what his dreams meant. He asked JOSEPH to help him. So, Joseph was brought out of jail straight to Pharaoh. Joseph told Pharaoh that the dreams were from God. Those dreams meant that Pharaoh needed to

save lots and lots of grain, because his people were going to be hungry and need it later. Pharaoh was SO happy to know what his dreams meant, that he gave Joseph a very special job! He put Joseph in charge of ALL of Egypt. Years later, the dreams came true! People were hungry and didn't have food, so they traveled from all over to get grain from Joseph. God's plan for Joseph was to HELP all these people. What an amazing plan! God has a plan for us, too, and God's plan is the BEST plan.

#### QUESTIONS:

1. What are some reasons God created us?
2. Think of a time someone helped you.
3. Why should we help others?

#### PRAYER:

Thank God for his plan. Ask God to help you to help others by being a good friend, sharing what you have, and using kind words.
