

WHAT IS VIRTUAL VBS?

Virtual VBS is an opportunity for your child to experience the excitement and fun of BridgePoint VBS! We're sad that we are unable to host VBS at our Tyrone location this year due to COVID-19, so we are pulling out all the stops to make this the best week of your child's summer!! Every child will receive a VBS box with the supplies needed to complete the VBS activities at home. Virtual VBS will include: worship, skits, Bible Story, games, crafts, serving others, snack, and family devos. On July 6th at 9am VBS will go live with VBS Worship, Skits, Bible stories, and color competitions. Then, you can click through the videos to watch how to make your craft, play the game, learn about serving others opportunities you can do from home, and fun snack ideas that fit with our VBS theme. If you're unable to jump on at 9am, no worries! Our videos will be available online for you to watch at your convenience.

WHO CAN PARTICIPATE IN BRIDGEPOINT'S VIRTUAL VBS?

Children ages 2 years through completed 5th grade can participate in Virtual VBS. All you have to do is register and pick up your VBS box (pick up times TBA)! Invite your friends and neighbors to join in with you by registering as well. The more friends participating, the more fun you will have, so invite, invite, invite!!

WHERE IS BRIDGEPOINT'S VIRTUAL VBS?

You can do Virtual VBS, virtually anywhere; your apartment, your house, your backyard, your neighbor's backyard, the park, anywhere that you can get connected to the internet to watch the videos virtually.

HOW MUCH DOES VIRTUAL VBS COST?

Virtual VBS is FREE to you. We are providing most of the supplies you will need for Virtual VBS on supply pick up dates (Date are TBA). We will provide you with a list of other supplies you will need like, glue/tape, coloring supplies, etc., most of which you will already have at home.

WHY IS VBS VIRTUAL?

We take the safety and security of your child very seriously. Due to COVID-19, we cannot provide VBS at our BridgePoint campuses. We want to make sure every child feels safe and secure while attending VBS, so we are providing activities that can be done anywhere so that as many children as possible can participate.

WHY SHOULD WE SIGN UP FOR VIRTUAL VBS?

Can you say FUN?! We've been told that VBS is the best week of your preschooler/elementary student's summer. We don't want them to miss out on that! We still want to provide an element of normalcy to these crazy times and we think Virtual VBS can do just that!

IS IT GOING TO BE A LOT OF WORK?

We are providing all of the materials that you need (besides a few things that you may already have around your home like glue, coloring supplies, etc). We have a list of everything you need and video instructions as well as written instructions for every activity. Your older children can easily complete the activities using the video instructions, while younger children may require some assistance. This is meant to be fun for the whole family and we really think you're going to love the activities we have planned.

WHO NEEDS TO REGISTER?

Every child in your family, ages 2 years old through completed 5th Grade, needs to register for Virtual VBS. Even if you registered for the canceled June VBS dates, you will still need to reregister for Virtual VBS.
